Recommendation for Adam Rosenbloom:

To whom it may concern:

I write this recommendation in support of the application of Adam Rosenbloom.

His musical work first came to my attention in 1994 during his internship with our orchestra administered by Symphonic Workshops Ltd. He was featured on our Young Artists Series conducting Russian works and then led an entire symphonic evening of German repertoire. The enthusiasm he generated with the orchestra members, audience, and the press led to subsequent engagements in 1995, 1996, and 1997 featuring both classical and pops programming. He remains among our most frequent guest conductors.

Mr. Rosenbloom's organizational and administrative abilities have also been of paramount importance to his success with us. His diligence concerning program planning, international music rental, general logistics, financial matters, and even writing the program notes has contributed to a smooth cooperative process in the course of his dealings with us.

It is my belief that Mr. Rosenbloom's combination of musical, managerial, and interpersonal skills will serve him well in any endeavor to which he sets his mind. I endorse his application without reservation.

Please to not hesitate to contact me for additional information you may require.

Sincerely,

Dyrektor Naczelny
i Artystyczny
