Adam F. Rosenbloom	Secondary Music Teacher	Supervisor
Name of Registrant	Position Sought	Relationship of Registrant to Writer

It is my pleasure to recommend Adam Rosenbloom for the position of Secondary Music Teacher. Adam worked under my supervision as a student teacher from March 24, 2003, until June 13, 2003. His responsibilities included General Music from 3rd to 5th Grade, Choral Conducting, Woodwinds Coaching, and Musical Drama Coaching. During the course of his placement at P.S.59, Adam proved himself to be an advocate of music education, a seeker in the field of research, and an amazing teacher, who possesses both passion and patience.

I was impressed by Adam's ability to enhance the musical experience by leading the students to come up with their own conclusions. He captivated the students with accurate demonstrations, clarifying what is simple yet hard to grasp at a young age. His conducting skills are excellent, and his subtle changes in breathing, posture, and diction added flavor and style to music. Furthermore, his knowledge in musical theater from acting and singing to staging and choreography allowed our musical drama students to develop confidence, maturity, and a deeper understanding of performing. He is inquisitive, intelligent, and determined to find an in-depth knowledge on any lacking areas. With his hard work and talent for teaching I have no doubt that he will succeed in all his endeavors.

In my view, Adam has what it takes to be a wonderful teacher and an outstanding choral director, and we are sad to see him leave. I am sure that his work and contributions will exceed your expectations. Hence, I strongly recommend him for the position of Secondary Music Teacher at your school.
